

Physical Education and Sport Premium Impact Statement
2020/21

The Sports Premium has been allocated to schools to fund additional and sustainable improvements to the provision of PE and sport at primary school; it is also to be used to encourage the development of healthy, active lifestyles. Schools receive PE and sport premium funding based on the number of pupils in years 1-6.

Victoria Road was allocated **£17,710** for the academic year **2020-2021**, which we received in two separate allowances in October and April.

We are free to determine how best to use this funding to improve the quality of PE and we recognise the health and well-being of all of the pupils at our school. We believe that a varied PE curriculum and extra-curricular opportunities have positive influences on the concentration, attitude and academic achievement of children.

Impact Statement

Throughout **2020-2021** PE funding continued to have a significant impact enhancing the breadth and quality of sport.

This year's funding was spent on the following:

- Extra-curricular lunch time activities
- GetSet4PE Planning Purchased
- Storage for PE equipment
- PE equipment
- Additional swimming lessons for Year 6

See 2020-2021 Sporting Premium Audit for impact and sustainability

What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 meters?	73% 24/33
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	85% 28/33

Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?

Yes
