

PE Kits

Polite reminder for all students to wear the PE tracksuits provided by the school at the end of last year on PE days. This is part of our uniform policy therefore any other clothing cannot be worn for PE. A plain white top or the schools coloured t-shirts can be worn underneath.

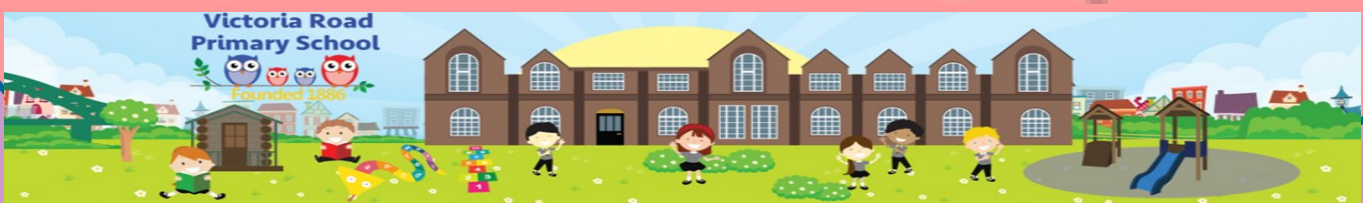

Bags in School

As you know, we have very limited space in school. Therefore, we ask that children only bring their bookbags and a packlunch to school with them. We can provide all equipment they need in class and this makes sure the corridors are not overcrowded with other bags. This of course does not include bags with swimming kits in!

School Meal Prices

As you were informed earlier in the week on Parent Apps, Orian have increased the prices of our school meals from the 1st April. Mr Murphy is still in negotiations with Orian to decrease this price, though nothing has been finalised yet. We will keep you informed when we get new updates.

Weekly Attendance

This weeks attendance for the whole school is 94.43%. Lets try and get it to 96% next week!

Lates

The number of lates we have had in school has decreased since we came back from Christmas! We would like to thank all parents and children for this and to keep up the good work!

Thank
You

Employee of the Week

Our employee of the week this week is Miss Banks! She works so hard in our resource base and does a great job looking after the children!
